

# ALLIANCE SEED CDC EVIDENT

CDC Evident is the evident choice for durum growers wanting the sky to be the limit for yield potential, without sacrificing agronomics.  
Launching for certified sales in 2025.

## **CDC Evident strengths:**

- High grain yield; yielding higher than all check cultivars
- Disease resistance; R to leaf, stem and stripe rust and common bunt
- Excellent end use suitability

## **CDC Evident weakness:**

- MS to FHB, like check cultivars
